COMMENTS REGARDING SUBMISSION OF EXECUTED DECLARATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is noted that the executed Declaration submitted September 19, 2008 includes an inventor not listed in the unexecuted Declaration previously submitted. However, this does not constitute the correction of inventorship, because the inventors as listed on the executed Declaration correspond to the International Application.

It is additionally noted that the inventor information for inventor José Carlos BRITO LOPES has been changed from the information that was present in the International Application.

This was the result of a typographical error, and as such a petition to correct this matter under 37 CFR 1.182 is not required; MPEP §1893.01(e). In accordance with that section of the manual, the Office is simply being notified of the error and the correction.

Respectfully submitted,

Jose Carlos BRITO LOPES
